## FROM THE GM'S DESK

Dear Members,

The winter school holidays are in full swing, and we've made sure there's something special lined up for our youngest members! We've brought in not one, but *two* jumping castles for the kids to enjoy. One is stationed near the padel courts, and the other near the sandpit in the kids' play area. This initiative is part of our ongoing commitment to creating a Club that's not only a hub for sport and fine dining but a true family destination. Whether you're unwinding on the terrace, enjoying lunch, or playing a round of golf, your little ones will be fully entertained in a safe and engaging environment.

## A Community That Cares – Supporting Llewellyn

As a community, Bryanston Country Club is more than a place to enjoy golf, food, and social connection—it's a place where we support one another in times of need. It is with deep concern and compassion that we share news regarding Llewellyn, one of our much-loved golf coaches. He has recently been diagnosed with an incurable form of cancer. While this news is incredibly difficult, we are committed to standing by him through the road ahead. Treatment is possible, and we are doing everything we can to offer tangible support. In that spirit, we will soon be hosting a Golf Day in Llewellyn's honour, with the proceeds going directly toward his care. This event is more than just a fundraiser, it's a chance for our community to rally around one of our own, and to show what true club spirit means. We'll share details in the coming weeks, but for now, we ask that you keep Llewellyn in your thoughts and prayers.

## Thank You for Your Feedback

We would like to extend a sincere thank you to everyone who took the time to complete our Annual Member Survey. Your feedback is not only appreciated, it's a vital part of how we shape the future of the Club. The insights and suggestions you shared have already guided a number of decisions, and we are

excited to say that a number of upgrades are already in the pipeline as a direct result. We'll be releasing the full results very soon so you can see how your voice helped influence the direction we're taking.

### Upgrades Are on the Way

We're excited to share that a number of exciting enhancements are coming to the Club. Our terrace sushi and pizza bar is set for a vibrant redesign that will improve flow, presentation, and overall dining experience.

Something even more exciting is the Brand-New Terrace menu that launches in a few days:

- Delicious New Dishes
- Fresh Seasonal Ingredients
- Creative Culinary Twists

Please note that due to rising ingredient costs, we have had to adjust some of our prices. Rest assured, we remain committed to providing you with high-quality meals and exceptional service. We always benchmark our prices with surrounding and competitor facilities to ensure these are market related and offer value for money.

At the same time, our bowls area is also undergoing upgrades to better reflect the quality and prestige of this growing sport at BCC. These updates are part of a broader investment in member satisfaction, ensuring every space across the Club aligns with the premium lifestyle you've come to expect.

### Understanding Our Water Treatment Process

After identifying water quality as one of the contributing factors to our golf greens challenges, the Club has appointed water specialists to help clean and restore some of our dams. A specialist company **LEGBIO** using a natural enzyme-based product has been introduced into dams 2 and 9. This environmentally friendly treatment activates at the bottom and gradually works its way to the surface. As a result, the water may appear worse before it improves, this is a normal and expected part of the process. Importantly, please note the product is completely safe for all fish, bird and plant life. We will keep you updated of the progress.

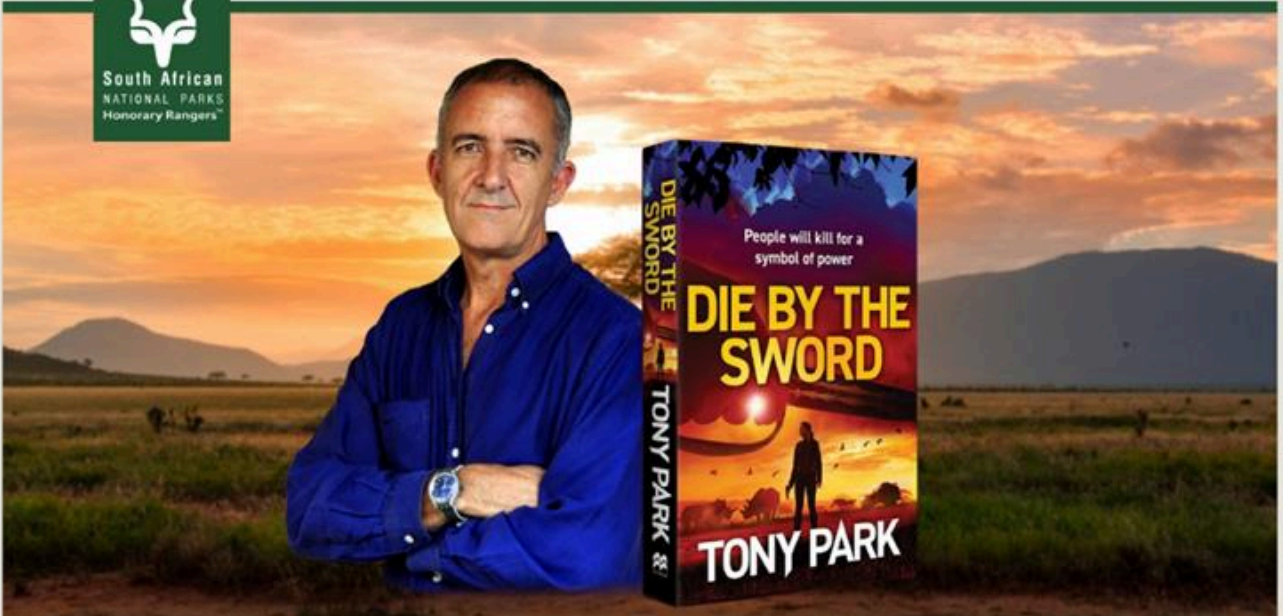

### An Evening with Tony Park

We've told you about it — now here's your reminder to book your spot for what promises to be one of the highlights of the month!

On **Wednesday, 30 July**, Bryanston Country Club will welcome internationally acclaimed author Tony Park for the official launch of his latest novel, ***Die by the Sword***, in collaboration with the SANParks Honorary Rangers.

It's set to be a memorable evening of conversation, storytelling, and conservation — with the chance to meet Tony in person, hear more about his newest release, and enjoy a special night with fellow members. If you haven't reserved your place yet, we encourage you to do so soon. You won't want to miss this one!

### A Warm Welcome to Our New Members

Last week, I had the pleasure of hosting our New Members Induction, its always one of the highlights on our Club calendar. It's a wonderful opportunity to personally welcome those who have recently joined Bryanston Country Club and to introduce them to the broader team behind the scenes.

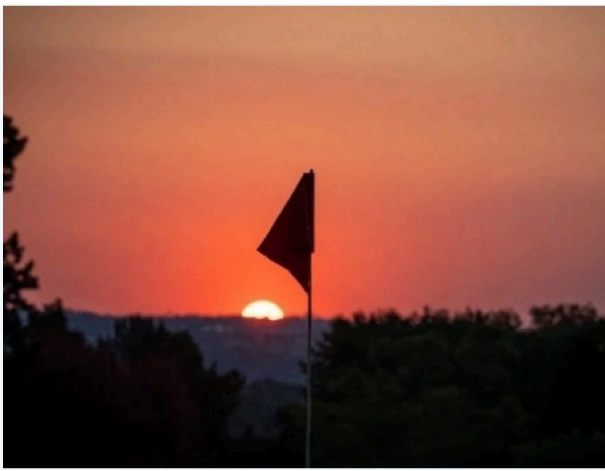

Joining me for the evening were Chef Leon, our Food & Beverage Manager Tommy, Assistant Operations Manager Ernest, and Finance Manager Vian — all there to share a few words, answer questions, and help our new members feel right at home from day one.

To those who attended: we're thrilled to have you as part of the BCC family. I look forward to seeing you around the Club and hope your journey with us will be filled with great experiences, lasting friendships, and memorable moments. Welcome!

See you at the Club

**Andrew Rogers**

**Hearts of Hope Wine Auction – A Wonderful Success!**

We are thrilled to share the incredible success of the very first **Hearts of Hope Wine Auction**, recently held at the Club. Despite a chilly JHB evening, **140 guests** came out in support, enjoying exceptional wines and raising vital funds for a meaningful cause.

Thanks to the generosity of everyone involved, **R173,381.86** was raised for Hearts of Hope. These funds go directly towards supporting 52 orphaned and vulnerable children – helping provide education, nutrition, therapy, and more.!

**Thank you Padel Players!**

Our sincerest thanks for the wonderful donation of warm winter clothes Kids Haven received following the padel championship. Winter can be a hard time for many people and your donations have gone a long way to keeping our children, young people and community members warm. Thank you.

We appreciate all the time and effort you put in to receive these donations from the padel players and for spreading the word about Kids Haven on our behalf. Thank you for always keeping us top of mind. Every moment of kindness positively impacts the lives of those at Kids Haven.

We look forward to partnering with you again in the future at other events and we will definitely be in touch if we see opportunities.

Best wishes and kind regards

The Kids Haven Team

## Ulrich van den Berg Claims Victory at Mangais Senior Classic 2025

Ulrich van den Berg delivered a phenomenal performance to secure the title at the 2025 Mangais Senior Classic, held from 5–7 July at the stunning Mangais Golf Resort in Angola.

The seasoned South African golfer finished at an impressive 14-under-par (197) after three superb rounds of 68, 62, and 67, comfortably clinching the win by three strokes ahead of compatriot Wallie Coetsee.

Van den Berg's second round score of 62 was a standout – a near-flawless display that gave him the lead going into the final day. He maintained composure through the closing round to seal the deal, proving once again why he remains a force on the Sunshine Senior Tour.

This victory not only underscores his enduring talent and consistency but also adds another prestigious title to his senior career.

Congratulations to Ulrich on an exceptional win!

### IN CASE OF EMERGENCY

In the event of a medical emergency, we urge Members to alert a staff member immediately. All staff are trained and fully briefed on our emergency procedures.
